Disclaimer: The Indiana DNR Division of Water licenses the water well drillers & pump installers working for contractors on this list. The Division provides this information as a public service and does not recommend particular contractors. Driller & installer licenses, water well records, and enforcement actions are matters of public record. Please contact the Division for verification of an individual license status or for more information.

Indiana Department of Natural Resources—Division of Water—Licensed Water Well Drillers & Pump Installers Listing

KEY to primary drilling services

DWS	Domestic (home) water supply
DEW	Dewatering
ENV	Environmental / geophysical / geotechnical
GEO	Geothermal systems & heat pumps, when this is the sole activity in Indiana (several Indiana contractors have added geothermal drilling to their established well installation services; inquire locally.)
IC	Industrial / commercial water supply
ICM	Industrial / commercial and municipal water supply
IRR	Irrigation
Other	Plugging, equipment & supplies, inspection, consulting, research, etc.
PI	Pump installation, Service and Repair of water well pumping equipment
WS	Water supply, use not specified (code for known and probable water supply contractors that did not return a profile)
GOV	Federal, State & Local Government Agency or Regulatory Body
